

South Florida FAASTeam presents:

# **FAR Part 91 & 61 Review. FREE Pancake Breakfast**

Quick – which FAR covers the period when navigation lights must be turned on? Sure you can look it up, but how long has it been since you've reviewed the rules and regulations? The Federal Aviation Regulations Parts 91 & 61 cover the rules for general aviation flights. It is essential that aviators are familiar and compliant with them. In this seminar, we will highlight areas that pilots often overlook, or haven't reviewed in a while and will lead a discussion about commonly misunderstood topics that apply to general aviation operations. We will also review recent changes in the FARs.

Our sponsors are offering a FREE pancake with sausage breakfast to all attendees from 10 am to Noon! The class will be held at 1:00 pm to allow the attendees and guests to spend the rest of the day trekking / exploring the area. Overnight underwing Dry Camping permitted (\$10 fee).

**Directions:** Fly into Everglades City Airport or by car follow the signs South from US 41 on County Road 29 (3.2 miles) then turn right on Begonia Street (.2 mi.) Continue onto Copeland Avenue (.6 mi). Cross through the round about then continue on Copeland Avenue (.5 mi.) Turn right onto Airpark Road (.2 mi).
